

CITYSHOPPARI

How to activate the benefits of CityShoppari app with a code

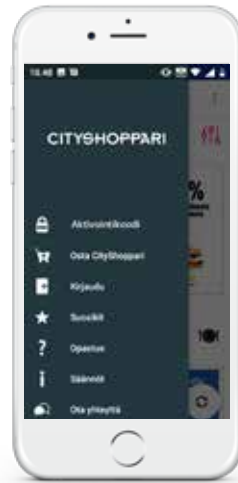

ATTENTION! The views depends on device.

1. **INSTALL** the CityShoppari app from your mobile device's app store. Enable the app all rights it asks.

2. **OPEN** the app.

3. Go to menu and select **"AKTIVOINTIKOODI"** (activation code).

4. **ENTER THE ACTIVATION CODE THAT YOU HAVE.** When you tap the mobile number field, the app wants to verify your phone number first.

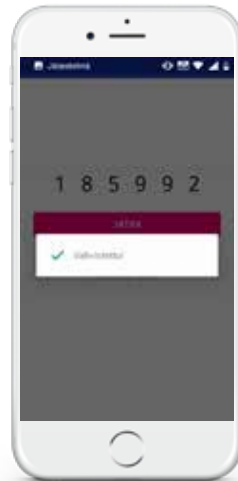

5. Tap **"ALOITETAAN"** (start). **GIVE YOUR MOBILE NUMBER WITHOUT THE FIRST ZERO (0).** Check carefully that the number is right, verifying code does not come to a false number.

Tap **"VAHVISTA"** (confirm).

6. You get a 6 digits verifying code by SMS, that the app fulfills usually automatically. It takes a while, wait. You can also find the verifying code in your SMS.

ATTENTION! Do not use your activation code here.

7. After this the app returns to the view, where you gave your activation code and your mobile number.

8. Under your mobile number is the bar **"KÄYTÄ KOODI"** (use code), tap it. If the bar is hidden, go to your phone settings and downsize fonts.

NOW YOU CAN USE THE BENEFITS OF CITYSHOPPARI!

If the app logs out, go menu and select **"KIRJAUDU"** (login) and enter the same mobile number which you gave with the activation code. The app will first verify your mobile number.
